Christ-Centered Excellence in Education

Dear prospective GSCA Parent:

Thank you for your interest in our school. At Good Shepherd we appreciate that choosing the appropriate education for your child is a big decision, entered into with a great deal of prayerful consideration. As God instructs us to “do all things as unto the Lord” (Col. 3:23) we trust that you will find us always endeavoring to do our best!

We have been blessed to be of service to our community since 1979 and have had the privilege of affording Christ-centered excellence in education to hundreds of children since that time. We are confident that you will find GSCA to be a safe, caring, and challenging environment for your child – one that builds academic stimulation and instruction on a foundation of Biblical truth.

New to GSCA this year is our online Christian high school:

You have the option of two tracks:

1) Academic track - is a full day program designed for students to complete their studies primarily in the morning and participate in co-curricular activities in the afternoon. We offer our affiliation with Liberty University Online Curriculum, but homeschooled students who are already using another online curriculum are welcome to do their work here as well.

2) Activities Track – intended for homeschooled students who prefer to complete their academic class at home and join us for co-curricular activities in the afternoon including PE, art, field trips, service opportunities, group Bible study, sign language, and many others as the needs of the group dictate.

If you would like to become part of our growing interdenominational family, please complete the attached registration forms with the following guidelines in mind:
